

Together in Education Official Rules & Regulations

Obtaining a VIC Card

A customer may obtain a free VIC card at any Harris Teeter store. If more than one customer at the same address obtains a VIC card, these customers will share one VIC account, defined herein as a “VIC Account” with members sharing this VIC Account being defined as a “VIC Household”.

Method of Linking:

Customers may link their VIC Account to an Eligible School(s) by one of two methods: (i) Link your VIC card on our app or website, [tie.harristeeter.com/together-in-education](https://tie.harristeeter.com), (you will need to be logged into your personal Harris Teeter account), (ii) asking a cashier at any Harris Teeter store to link their VIC Account to an Eligible School(s). Each VIC Account may be linked to up to 5 schools, and Harris Teeter will evenly distribute the VIC Household’s contributions across the designated accounts.

Program Description

For the 2024-2025 school year (August 1 2024 – May 31 2025), schools will earn \$10 for every HT Plus membership or trial membership sign-up or existing HT Plus membership. To qualify, customers will need to link their VIC card as well as sign up for a free 30-day trial membership or a paid membership of HT Plus or have an existing HT Plus membership. Once those steps are complete, the system will allocate \$10 to their TIE school of choice. If customers are linked to multiple schools, the \$10 will be divided equally between the schools. Schools will not earn funds on any in-store purchases for the 2024-2025 school year. Schools will receive one check at the end of the year.

As in previous years, parents, friends and family members must re-link each year in August to ensure their continued support for their child's school. Customers can link their VIC card on the Harris Teeter website or app, or simply ask a cashier to link their school at checkout using the school’s 4-digit code. The more parents and friends who link their VIC card and sign up for a free 30-day trial membership, or a paid membership, or existing HT Plus membership the more money the school will earn.

I have read and understand the Official Rules & Regulations of the Together in Education program.

Signature _____

Preschool

Eligible Schools.

Schools must meet the following criteria to participate in the Program:

- Public or Private School (preschool through 12) registered through the appropriate state agency. Preschools must be state-registered.
- Schools (other than preschools) must have a standard course of study, including math, history and language. Schools that meet these requirements can register any programs within the school such as Athletics, NJROTC, Choral Group, etc.

- Schools must be located in NC, SC, GA, FL, DC, VA, MD, DE, PA, or NJ.
- Schools will be assigned an exclusive TIE account number after the school submits this Registration Form and Harris Teeter validates that the school meets these requirements. This is a one-time registration.
- By participating in the Program, schools agree to be bound by these Official Rules, and grant Harris Teeter and its agencies permission to use the school's name and/or likeness for purposes of advertising without further compensation unless prohibited by law. These Official Rules may be modified at any time in Harris Teeter's sole discretion.
