WHAT IS THE TOGETHER IN EDUCATION PROGRAM?

Harris Teeter's Together in Education program is a fund-raising program for schools (public or private – preschool through 12th grade) in our communities. The program gives schools a chance to earn funds for their school when shopping with a linked VIC card.

Any customer can link their VIC card to support a school. When customers purchase select Harris Teeter Brands products using their linked VIC card, Harris Teeter contributes a percentage of those purchase dollars to the school/s. Schools use the money earned on anything they need from basic supplies to band equipment to computers.

PROGRAM FACTS

- All schools have a unique 4 digit TIE Code used to track links and dollars for the school
- VIC cards can be linked as early as July 1 but earnings will not start until August 1
- There is no limit on how much a school can earn!

COORDINATOR FACTS

- Each Together in Education school account has a coordinator that has access to materials to use to advertise the TIE code to parents, teachers, staff and community members
- The coordinators will find all materials and information within their TIE coordinator log-in found at harristeeter.com/tie-login
- Harris Teeter has a program coordinator that is available for any questions! Just e-mail tie@harristeeter.com
